

WORK DONE SO FAR

- **SURP 2025 (Summer Undergraduate Research Program) (June 2025 -present)**
In coordination with the Department Research Coordinators
- **SURP** enables students to undertake summer research projects under the IIT Bombay faculty in interdisciplinary projects. The Research 101 session, held online on May 17, 2025, featured Prof. Amber Jain, Prof. Jahnavi Puneekar, Manya Shah, and Yash Sanjay Sawant, focusing on starting and navigating research.
- The **ReaCH Portal**, launched in collaboration with DevCom, has **78** projects from **54** faculty members, receiving **250+** applications in the first phase. Participants were required to submit three reports: Phase 1, Mid-term (poster), and End-term.
- **ENTHUSE 2025 (24th July 2025)** *In coordination with the IRCC*
 - Over **1450** first-year students attended *Enthuse 2025* across three venues (VMCC, LTPCSA, LA001), with allocations based on departments for balanced representation.
 - **20** professors and **6** undergraduate student researchers from various departments shared insights on campus research opportunities and experiences.
 - Talks maintained an informal yet informative tone, complemented by interactive quizzes and games to make the research approachable and exciting.
 - Enthusiastic T-shirts were awarded to game winners, professors received plants as tokens of gratitude, and refreshments were served after the conclusion of the event.
 - The event successfully inspired freshmen to explore research at IIT Bombay, earning enthusiastic feedback from both professors and students. CDEEP recorded this year's Enthuse event, and all the professors' speeches and talks have been uploaded to YouTube. You can view these recordings on the [RnD @ IITB - YouTube](https://gymkhana.iitb.ac.in/~ugacademics/)

VMCC	LTPCSA	LA-001
Mechanical, IDC, Geophysics, Chemical, Aerospace, MEMS	Chemistry, Computer Science, Electrical, Maths, IEOR	Civil, ESED, DESE, Economics, Engineering Physics

The department distribution for the event was as follows: The flow of the event was as follows: -

VMCC B-Nag Auditorium	LA-001	LTPCSA
<i>Prof In-Charge</i> Prof. Amber Shrivastava	<i>Prof In-Charge</i> Prof. Arpita Mondal	<i>Prof In-Charge</i> Prof. Abhijit Majumder
<i>Address By Professors:</i>		
• Prof. Soham Mujumdar • Prof. Sudipta Dasgupta • Prof. Amrita Bhattacharya • Prof. Pennan Chinnasamy • Prof. Supreet Saini • Prof. Swati Agarwal	• Prof. Nivethida Thirugnanasambandam • Prof. Jaideep Joshi • Prof. Anish Modi • Prof. Suddhasatta Mahapatra • Prof. Aditi Chaubal • Prof. Albert Thomas • Prof. Indrajit Chakraborty	• Prof. S. Akshay • Prof. Ravi Raghunathan • Prof. Udayan Ganguly • Prof. Arpita Sinha • Prof. Veeraruna Kavitha • Prof. Ishita Sengupta
<i>Address by UG Students Researchers:</i>		
Yogesh, Archit & Koushika	Arnav & Shivam	Hari Bhavsar

• DEPARTMENT RESEARCH GROUPS (IIT Bombay Research Community)

1. To promote active engagement and effective functioning of the Department Research Groups, a timeline was developed to assist Department Research Coordinators (DRCs).
2. This timeline outlines a series of sessions, informative articles, and discussion topics that can be shared to facilitate collaboration and knowledge exchange within the research community, aligning with the intended purpose of these groups.

• RESEARCH PATHWAYS BOOKLET

1. EnPoWER has launched the first edition of the **Research Pathways** booklet to help students explore academic and research opportunities.
2. It features **40+ seniors' journeys** across higher studies and core placements, highlighting how they built skills through **courses, internships, and projects**, and grew through their **achievements and mentorship**.

INTERNSHIP GUIDANCE PROGRAM *In coordination with Career Cell, UGAC*

1. **UNIV INTERNSHIP BOOKLET (Released on 5th October 2025)**- Link to the booklet- [Univ Intern Booklet](#)
 - EnPoWER, in collaboration with the Career Cell, has launched the second edition of the **Univ Intern Booklet** to guide students through the internship season.
 - It serves as a **one-stop resource** for core internship preparation, featuring a **database of 90+ Indian and international programs** with deadlines, seniors' experiences and tips, and links to key resources like the **Resume Repository** and **Core Intern Directory**.

2. UNIVERSITY INTERN SESSION (6th September 2025)

- EnPoWER organised a University Intern Session aiming to primarily aid the preparation of undergraduates who are aspiring to get a university internship. Link to the resources of the session- [Univ Intern Slides](#)
- **GRAD PROGRAM (with Career Cell)**
 1. **GRAD100 Session (5th July 2025):**
 - GRAD100 explored the decision between MS and PhD paths, key application elements, and strategies for building a strong academic and research profile. The speakers for the session were: **Devashish Bhawe & Ganesh Iyer**.
 2. **GRAD101 Session (31st August 2025):**
 - GRAD101 delved into crafting impactful SOPs, essays, and LoRs, guiding students on building strong narratives and securing effective recommendations. The speakers for the session were: **Shubhhi Singh & Pal Aggarwal**.
 3. **GRAD Mentorship Program:** The GRAD Mentorship Program pairs IITB students with recent alumni studying abroad to guide them in applying to research programs aligned with their interests. GRAD Mentors Booklet: [GRAD Mentor Profiles 2025](#) & GRAD Booklet 2025: [GRAD Booklet 2025](#)

- **RESUME MAKING & APPING SERIES**

In coordination with the Career Cell, UGAC

1. **Session 1: How to build a resume? (September 25, 2025)**

Speakers for this session: Aarohi Deshpande, Neel Rambhia, Soham Dahane, Ved Parulekar. It covered resume basics, including key sections, types, and the process of creating, refining, and reviewing resumes, and helpful resources for students.

📅 UGAC Resume session('25-'26) Sophies
2. **Session 2: Format your resume with us! (September 28, 2025)**

This online session aimed to assist second-year students in formatting their resumes using tools such as Microsoft Word and Overleaf (for LaTeX). The speakers for this session were Harsh Verma and Dhairya Kantawala.

3. Session 3: Apping in Various Domains (September 28, 2025)

Session to help students navigate the process of applying for internships across a variety of domains, including research/core, tech, and non-core fields. The speakers for this session were Ojas Goel and Yash Jonjale.

● SOPHOMORE 101 SESSIONS (BRANCH INDUCTION SESSIONS)

In coordination with Student Support Services, UGAC

- A series of sessions was held across 13 UG departments in collaboration with SSS and the Student Mentorship Program.
- These sessions introduced students to their departments, covering the new curriculum, available opportunities, popular minors, the DD/Honours structure, and departmental research. Link: [Sophomore 101 dashboard \(2025\)](#)

● CURIOUS COMMUNITY (8th October, 2025)

1. **'Absurd Autopsy Arena':** The event had two rounds; the first round involved making an abstract of a pseudo-experiment, and the second round consisted of presentations.
2. **'Scientific Bingo':** A filler mini-activity that was a blend of traditional bingo with science.
3. **SURP Poster Presentation:** Two students who participated in the SURP initiative presented their posters to showcase the outcomes of their summer research. The winners of the competition were awarded diary sets and badges. The event had a footfall of nearly 60-70 students.

● ResCon (As a part of TechConnect 2025)

Abstract submission for the flagship **pan-India research poster competition** of IIT Bombay's **Research Conclave** was launched on **Unstop** in collaboration with **IRCC**. Scheduled for **22nd December 2025** under **TechConnect**, the competition offers **₹4.4 lakh** in prizes. A total of **205** submissions were received and are under review by the PGAC team. Link to the competition: https://unstop.com/o/YZRLene?lb=gJlLhY8k&utm_medium=Share&utm_source=enpowiit4632&utm_campaign=Competitions

● EXTERNAL OPPORTUNITIES

IRCC Summer Intern: Collaborated with IRCC on documenting IIT Bombay's patents, technologies, and research facilities to strengthen industry collaboration and showcase its innovation ecosystem.

● SOCIAL MEDIA

1. Know Your Lab Instagram Series:

- The Know Your Lab series highlights active labs, projects, and research opportunities across IITB to inspire student interest and participation in research.

2. Researcher of the week:

- Curated 6 posts and published weekly on a rotational basis from the 1st week of June.
- Highlighted researchers' fields, contributions, recognitions, and achievements.

3. Initiatives with the Koita Centre for Digital Health: A session on IDDDP and minor programmes, careers, and student experiences at KCDH was held, followed by 6 expert talks on AI, data analytics, cancer risk prediction, digital health, and technology ethics.

Work Done as Institute Secretary, Academic Affairs, and as a part of the Council Duties

- Ensured smooth **Academic Registration** of 4000+ students
- **Freshmen Orientation**
 1. Ensured smooth onboarding of first-year UG students and collaborated within and outside of the UGAC to organise the official 4-day-long freshmen orientations
 2. Helped in organising orientations for the Gender Cell, SC/ST Cell, and the SWC
 3. Conducted 1 of the 4 parallel sessions in the Technical Orientation organised by SSS
- **Commencement Ceremony**
 1. Coordinated with the Public Relations Office, PGAC, and the SMP Team to organise the logistics of the Commencement of 5000+ to-be graduating students
 2. Ensured a smooth photo-op with the Director for all the students in the Convocation Hall, guaranteeing that the event unfolded without any disruptions
 3. Assisted the Public Relations office in screening the Commencement Ceremony Session with Hon'ble Minister of Education Shri Dharmendra Pradhan's talk in VMCC and LHC rooms
 4. Assisted the Academic Section in the smooth **Document Verification** of UG freshmen students
